# Viking Festival Kids Zone Activities

## Viking Village

Enjoy the Viking Village with 30 Vikings camping on site in a traditional viking village setting with tents and fire pit, cooking displays, viking games, armoured combat, knattleikr (kind of like medieval football), wrestling, crafts, Scandinavian food, live music & entertainment and much more.

## Build a Viking Boat Lego Competition

Complete an online entry form and Design and Build a Viking Boat with your lego and then enter your boat into the competition.

- Prizes for most creative boat in each age group (ages 6-12)
- Bring your Lego Viking Boat creation to the information tent at the festival on Saturday by 9.30am, judging will occur at the Lego tent at 12 noon.

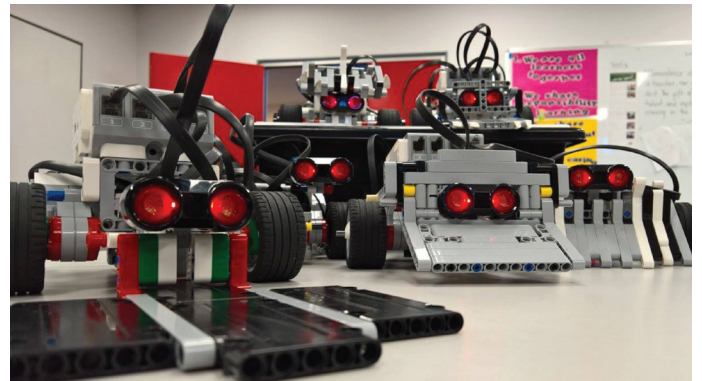

To register go to:  
[www.vikingfestival.com.au/lego-competition](http://www.vikingfestival.com.au/lego-competition)

## Dress up as a Viking

To encourage festival goers to get into the spirit of the Viking Festival we are offering prizes, awarded throughout the day for the best Viking Costumes.

## Lego Robotics Workshop

**Explore the world of LEGO robotics!**

In a two-hour class, students aged 7+ will learn to build, program and operate LEGO creations – and have a lot of fun in the process!

Lessons will be taught by the students of **Project Bucephalus**, a Wollongong robotics team fresh from competing in International tournaments.

To register go to:
